Reset password link will take users through the standard flow for resetting the password.

## Password reset

Password

**Confirmation of Password Change**

No, do not change my password  
 Yes, change my password

**Enter your New Password**

Enter your New Password

**Confirm your New Password**

Re-enter your New Password

We recommend using a password exclusive to this account. It's a good practice to refresh your password every 2-3 months, ensuring your accounts stay secure. Create a strong password by incorporating a mix of uppercase and lowercase letters along with numbers.
